"Autumn Fire."

A phenomenon that occurs when Named Artifacts are activated.

It is a symbol of absolute power.

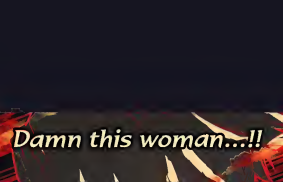

A character with short white hair and a black eye is shown from the chest up, looking distressed. They are surrounded by a large, intense fireball that is bright orange and yellow. The background is dark, and there are some red, flame-like shapes floating around. A speech bubble with the text "Kyaal!!" is positioned in the lower-left corner.

Kyaal!!

Damn this woman...!!

least a day to...

You....!!

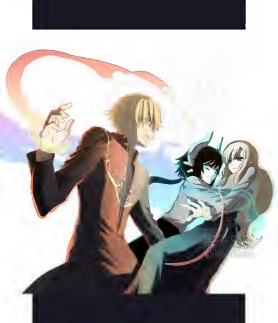

He's too strong!

I can't break free!

I'm scared!!!
